

## Unique Educational Opportunity

### • Partnership

*Gloria Deo Academy is a partnership with families who want to home school and desire to provide an academically rigorous curriculum.*

### • Christian

*The Academy educates and inculcates truth in the light of God and His holy Word. Scripture is integrated throughout all subject areas with the college of faculty consisting of fervent believers. We seek to teach each discipline from a historic Christian worldview. We support the development of each student's life in Christ while respecting the primary discipleship role that belongs to the family.*

### • Classical

*Gloria Deo Academy encourages every student to develop a love for learning and to live up to his or her individual academic potential. Achieved by adherence to the time-tested classical trivium of grammar, logic, and rhetoric, each student progresses through curriculum based upon works of scholarship that have defined our civilization. Students learn the significant, that they may lead lives of significance.*

In harmony with the above, said belief shall include the unqualified acceptance of the virgin birth of Christ, the bodily resurrection, and the reality of final judgment of heaven and hell as taught in the Bible.*
